LETTER

FROM

THE SECRETARY OF THE NAVY,

TRANSMITTING A LIST OF

The Officers of the Navy

OF

THE UNITED STATES.

The period of their admission into the public service; the date of their respective commissions; and the time of their actual service at sea, since Jan. 1, 1815.

JANUARY 22, 1824.

Read, and ordered to lie upon the table.

WASHINGTON :

PRINTED BY GALES & SEATON.

1824.

NAVY DEPARTMENT,

January 20, 1824.

SIR: In answer to a resolution of the House of Representatives, of the 16th of December last, I have the honor to transmit "A list of the officers of the Navy of the United States, denoting the periods of their admission into the public service; the dates of their present commissions; and the time of their actual service at sea, since the first of January, 1815."

This list has been rendered as accurate, in relation to the "actual service at sea," as the records of the Department would permit; but it is believed not to be free from some errors. Officers have sometimes served at sea, and been transferred from one vessel to another, (thereby increasing or diminishing the length of their cruise,) under orders from superiors, which have not been regularly returned.

It has not been possible to ascertain when each vessel in commission went to sea or returned into port; it has, therefore, been necessary to take the time that each officer was attached to vessels in commission for sea service, as the time of his "actual service at sea." It is proper, also, to remark, that this list does not furnish the means of a just estimate of the services rendered by each of the officers since they were attached to the Navy.

Some of those who appear to have performed but little or no "actual service at sea," since the 1st of January, 1815, had, before that time, rendered long and active service at sea, and have, since that time, been usefully employed at yards, stations, and hospitals.

I have the honor to be,

With the highest respect,

Sir, your obedient servant,

SAM. L. SOUTHARD.

HON. HENRY CLAY,

Speaker of the House of Representatives.

LIST of the Commissioned Officers now in the Navy of the United States; the periods of their admission into the public service; the dates of their present Commissions; and the time of their actual service at sea, since the first day of January, 1815; made in obedience to a resolution of the House of Representatives of the United States, of December 16th, 1823.
